OVERVIEW

WetFeet Insider Guides – Career Search Advice and Resources

Ace Your Case I – Consulting Interview: provides advice on how to prepare for case interviews.

Ace Your Case II – Fifteen Questions: a companion to the above *Ace Your Case I*, offers more detailed explanations about different case types and more sample questions.

Ace Your Case III – Practice Make Perfect: a companion to both to *Ace Your Case I and II* that offers more detailed explanations about different case types, more sample questions, and more information incorporated from readers regarding real case questions that people received in interviews.

Ace Your Case VI – Mastering the Case Interview: The sixth book in the *Ace Your Case* series that was developed by real consulting professionals. Includes 15 practice questions that will push your skills and prepare you for the kind of cases recruiting interviewers are using today.

Beat the Street – Investment Banking Interviews: offers guidance on how to prepare for the investment banking interview process by highlighting common themes and interview techniques used throughout the industry.

Job Search 101: Get Your Foot in the Door, Guide to Landing the Job Interview: teaches the importance of effective communications to land the right job.

Job Search 101: Negotiating Salary and Perks: provides recommendations on how to negotiate compensation and working conditions after employment has been offered.

Job Search 101: Job Hunting A to Z, Guide to Landing the Job You Want: instructs you on how to network productively and presents strategies for different types of interviews including behavioral, case, and stress.

Getting Your Ideal Internship: shows you how to identify appropriate opportunities, get hired, and use your internship as a tool for professional development.

Killer Consulting Resumes: demonstrates how to present skills, capabilities, and qualifications for a consulting position.

Killer I-Banking Resumes: outlines how to present qualifications for careers in either banking or sales and trading.

Consulting for PhDs, Lawyers, and Doctors: designed to help non-MBA advanced-degree holders find a niche—and a job—in the consulting industry.

Industries & Careers for MBAs: profiles a host of industries and careers that hire newly minted MBAs to fill their ranks.

The International MBA Student's Guide to the U.S. Job Search: a collection of critical information, advice, and feedback from employers and alumni to help international MBAs navigate the challenge of business school and the U.S. job search.
