EMPLOYERS SPONSORING H-1B WORK VISAS

Below are free helpful websites for lists of employers who have sponsored H-1B work visas for international visitors to the US. These websites are in addition to the Going Global website, which also provides lists of H-1B employers.

GoinGlobal can be accessed through the Online Databases & Paid Subscriptions link in the bi-weekly e-newsletter, *OCS News* or through [Online Career Resources > Online Databases & Paid Subscriptions](#) on the [SIPA OCS website](#). Students log in to GoinGlobal with their UNI and password.
